ORGANIZATION MANAGEMENT GROUP EXPANDS, OFFERING MEETING SERVICES TO GROUPS LOCALLY AND NATIONALLY

March 22, 2004 -- Virginia Beach, VA -- Organization Management Group, Inc (OMG) a Virginia Beach, VA based Association Management Company (AMC) has formed a new full-service meeting services company. The new division, Meeting Strategies International (MSI), will provide services in Pre-conference Planning, On-site Services, Tradeshow with Convention, and Post-Conference Management.

Although the meetings department has always been an integral part of OMG and servicing its clients, the meetings industry market presented a need for creating Meeting Strategies International. With this separate division, MSI will have the opportunity to market itself to companies and associations who are looking for value and expertise.

Today's business world is calling for more and more outsourcing services. Companies are increasingly finding it beneficial to have some departments handled by other companies (i.e. meetings, human resources, accounting). Benefits range anywhere from reducing overhead costs to hiring a staff already trained in specific skills.

MSI's headquarter office is located at 184 Business Park Drive, Suite 200M in Virginia Beach, VA. Visit their website at www.MeetingStrategies.com.

Organization Management Group employs 22 professionals who provide executive management, financial, educational programs, and specialized administrative services to associations, societies, corporations, and other organizations.
